Mr J Youssef
Chief Executive Officer
All Heart NZ
PO Box 98
Whangaparapa

Dear Joe,

To the Trustees of All Heart NZ

On behalf of the Coast Youth Community Trust, I would like to write to you formally to express our gratitude for your recent, generous and very significant donation. We would also like to thank Guy Penny, Sustainability Manager at Air New Zealand for the generous donation of the goods that enabled the facilitation of this donation to be made.

Your contribution will go a long way in supporting our new social enterprise business in recycling pallets into beautiful and functional new pallet furniture. Many young people in our community are leaving school without qualifications, and without a pathway that will lead them to achieving independence and becoming contributing members of the community.

Throughout the process of upcycling and reusing these wood waste products, Coast Youth Community Trust will be training, upskilling and employing young people who are otherwise Not in Education, Employment and Training (NEET as referred to by Ministry of Social Development). Providing them with life skills, trade skills, references for their CV and employment, Coast Youth Community Trust will be enabling these young people to become work ready, employable and independent. This donation will go a long way in addressing this need.

Thank you again for your support and belief in us. With assistance such as this we will continue to be able to make a difference in the lives of young people, their families and our community.

Kind regards

Leesa Fraser
Executive Administrator

Strengthening youth, empowering families, building community
